Opening Ceremony

The opening ceremony will be held on **July 7** (Thursday) from 16:00-22:30.

Traveling to Birmingham

Please note how many days in advance you should travel depending on where you leave from

- **Outside of the United States** to arrive 3 days before the competition start date
- **Inside the United States** must arrive 2 days before the competition date

This is required by the World Games in an effort to provide adequate time for a Jetlag Day (for travel outside of the United States), an Arrival Day, and a Training Day.

Note: Please be aware that to avoid any possible confusion the destination is **Birmingham, Alabama USA (BHM)**.

Local Transportation

There will be a shuttle service provided by the World Games to pick you up at the Birmingham Airport, BHM. The shuttles will take you to the Athlete's village, where you will be staying for the time period of your stay that you have indicated to us.

Accommodation

The Athlete's village consists of university dorm rooms with a dining center that all athletes will have access to. The dorm rooms will be provided mainly by the University of Alabama (UAB) and Birmingham Southern College (BSC). No payment is required for your stay inside the dorm rooms or for anything from the food center, this is provided by the World Games.

The World Games will also be providing a shuttle for all venues the events of the World Games are occupying and will be available to take you to any of the events (including your own).
