8. Reporting requirements and obligations for Divisions of IDSF

This item of the Financial Regulations provides a framework for reporting requirements for any and all IDSF Divisions such as the IDSF Professional Division. The framework is required to ensure timely and consistent financial reporting & control and, to assist in the proper completion of IDSF's Audited accounts. In addition, it implements a risk minimisation strategy for IDSF and its member bodies. The following requirements and obligations provide an overview of a Division's responsibilities:

- For consistency and ease of interpretation, each IDSF Division must use the same structure and format in the presentation of its Financial Reports and Budgets as IDSF.
- The Treasurer of each Division must report to the IDSF Presidium on at least a six monthly basis on the 31st July and the 31st January in each year. For audit purposes, on 31st January each year, each Division must supply a final set of Financial Reports for the previous 12 months ended on the previous 31st December. The Financial Reports must be supported by detailed receipts and records presented in a manner acceptable to the IDSF Treasurer and IDSF Auditors. In addition, a budget for the current year and a

provisional budget for the following year must be submitted with a Division's annual Financial Reports.

- Each IDSF Division's Financial Reports, current year budget and provisional budget will be integrated into IDSF's Financial Reports and will be required to be presented to every IDSF Annual General Meeting.
- Each IDSF Division is required to seek the approval of the IDSF Treasurer and IDSF Presidium to undertake any financial activity which exposes that Division and therefore IDSF and its members to any external financial or commercial risk.

9. Effective Date

This version of the Financial Regulations shall come into force and effect on 1st January 2010 until 31st December, 2011.
