

IDSF LEGAL COMMISSION

2011 ANNUAL GENERAL MEETING

LUXEMBOURG, JUNE 19, 2011

Presidium's Motions Re: Membership in British Dance Council

1. **MOVED**, that it is a policy of IDSF that no IDSF Member body shall be a member of or affiliated with the British Dance Council.
2. **MOVED**, that this Meeting calls upon all of its Members and all friends of DanceSport and sport in general to sever all their connections with the British Dance Council.
3. **MOVED**, that any IDSF Member body which continues any formal or working relationship with the British Dance Council should be liable to expulsion from Membership in IDSF by a Resolution or Resolutions of the IDSF Presidium.

REASONS:

1. ***the recent publications and actions of the BDC are openly hostile to IDSF and not in the best interests of DanceSport; and***
2. ***accordingly, formal or working relationships of any kind with the British Dance Council have become incompatible with continued Membership in IDSF.***
