Mr. Marco Sietas
Presidents of National Dance Sport Federations

Dear colleagues!

The Committee of National and Nonolympic Kinds of Sports of Russia (CNNKSR) would like to inform you that any actions to be taken on the territory of any state should meet the requirements of the state law. At the moment Dance Sport Federation of Russia initially misinforms you with regards to the legal opportunities of staging of the following competitions: Diamond Cup International 2012, WDSF European Youth latin, WDSF World Open latin and standard, WDSF Open Youth Standard, Latin, WDSF Open Junior II St., La.

According to the law of the Russian Federation DSFR has no right to stage any national, regional and international tournaments due to the suspension of the state registration, therefore we inform you that such tournaments and competitions are non-legitimate and will not be staged.

We also would like to let you know that the organizers of the competitions Mr. Telnov and Mrs. Galperina had full three months to agree the terms of staging the competitions in the current circumstances to put it in accordance with the law of Russian Federation. However, to our regret all actions taken by the organizers, headed by Mr. Dorokhov and Mr. Salnis, have been aimed at discrediting the WDSF governing bodies.

In view of this information, on behalf of CNNKSR (the organization authorized by the state to stage dance sport competitions) I kindly ask you to inform all athletes, coaches, adjudicators and all interested persons about the cancellation of the competition.

Due to false representation of the legal status of the before mentioned competitions Russian Dance Sport Federation should take all responsibility with regards to possible inconveniences and financial losses.

Co-Chairman of the CNNKSR

Gennadiy Aleshin
