This year, Albania has been granted full membership of WDSF.

The WDSF Membership Commission is sending several trainers to different countries:

Blanca Ribas has been working in South America from December 2011 up to December 2012.

Pamela Serrano has been working in Trinidad and Tobago.

Eva Angües has been working in Peru and Brazil.

Joan Cayuela has been working in Chile, Colombia, Venezuela, Argentina.

Isaac Rovira has been working in Mexico.

In these countries, our trainers lectured for dancers, national trainers and adjudicator congresses and promote and help in the organization of national DanceSport events.

As you know, we also have WDSF competitions every year in the most advanced countries in South America. Past year we had WDSF events in Buenos Aires (Argentina), Quito (Ecuador) and Cali (Colombia).

The different reports from our trainers have been published at our website, and you can still find them there!

AFRICA

The structure of promotion and development in Africa is my next goal for the near future. I'm contacting with South African Trainers who can be sent as trainers in the African continent helping to build up a similar structure as the one we have in South America.
