

2014 ANNUAL GENERAL MEETING

BUCHAREST, JUNE 15, 2014

Presidium's Motion to Amend Statutes and Code of the Disciplinary Council to provide for recognition of Continental Associations

WHEREAS the Presidium believes that continental associations of Members have the potential to play an important role in strengthening and developing DanceSport in the continental areas of Europe, Asia, Africa, the Americas and Oceania.

WHEREAS the Presidium considers that the time is now right to provide a statutory basis for the integration of continental associations of Members into the WDSF system.

AND WHEREAS in November 2013, the Presidium specifically mandated the working group known as the "European Commission" to study the question of how best to integrate an association of European Members into the WDSF system.

AND WHEREAS both the Presidium and the European Commission consider that the integration of continental associations into the WDSF should be based on a formal recognition procedure.

AND WHEREAS in order to ensure that continental associations develop their activities in co-ordination with WDSF and in compliance with its Statutes, rules and regulations, both the Presidium and the European Commission consider that it is important for the WDSF Statutes to set out the basic conditions which a continental association must meet in order to be recognised.

AND WHEREAS the Presidium proposes this Motion based on the recommendations of the “European Commission”.

1. **MOVED** that the modifications to the WDSF Statutes (as highlighted at Annex 1) are hereby approved and accepted.*
2. **MOVED** that the modifications to the Code of the WDSF Disciplinary Council are hereby approved and accepted.*

*In view of the fact that the proposed resolutions at paragraphs 1 and 2 above are modifications to the WDSF Statutes and Code of the Disciplinary Council, they shall require a two-thirds majority.
