Competition Format and Rules

Format et règlement des compétitions

As of FRI 9 AUG 2024

Olympic Competition Format

There are two events in the breaking competition programme at the Olympic Games Paris 2024: b-girls, b-boys. There will be 17 athletes in the b-girls event and 16 athletes in the b-boys event.

Competition Format

Pre-Qualifier:

- In the b-girls event, the athlete seeded 16 and athlete seeded 17 battle each other. The winner of the prequalifier battle advances to the round robin. The losing athlete is ranked 17th.

Round Robin:

- There are four groups of four athletes. Each athlete competes in three battles in the round robin. The group composition is determined based on pre-competition seeding:
 - Group A: 1, 8, 9, 16/17
 - Group B: 2, 7, 10, 15
 - Group C: 3, 6, 11, 14
 - Group D: 4, 5, 12, 13
- The order of battles within each group is determined by the "battle pools" defined in the WDSF Breaking Rules and Regulations Manual
- In each battle, athletes are assigned to the red or blue side by computerised random draw.
- Each battle consists of two rounds. In all battles, the athlete designated as "Blue" can decide whether to perform first, or to allow their opponent "Red" to perform first. The second athlete then responds.
- During the round robin, scores become available at the end of each round.
- Athletes are ranked within each group by the number of rounds won and judges' votes collected and finally by pre-competition seeding
- At the end of the Round Robin, the best two athletes in each group progress to the Quarterfinals. The remaining athletes are ranked 9th to 16th, by the number of rounds won (excluding rounds won in the Pre-Qualifier), the number of votes collected (excluding votes collected in the Pre-Qualifier) and finally by pre-competition seeding.

Knock Out:

- Each knock-out battle consists of three rounds. The athlete with more rounds at the end of the battle is declared the winner.
- In each battle, athletes are assigned to the red or blue side depending on their position in the bracket
- During the knock-out, scores become available at the end of the battle
- The athlete designated as "Blue" can decide whether to perform first, or to allow their opponent "Red" to perform first. The second athlete then responds.
- The losing quarterfinalists are ranked 5th to 8th by the number of rounds won in the Knock-out, number of votes collected in the Knock-out, rounds won in the Round Robin, votes collected in the Round Robin and finally by pre-competition seeding.
- The losing semifinalists contest the bronze medal battle, and the winning semifinalists contest the gold medal battle.

Competition Format and Rules

Format et règlement des compétitions

As of FRI 9 AUG 2024

Differences between the WDSF World Championships and the Olympic Games

There are more participants at the World Championships, and more phases of competition. From the last 16 onwards, the format is the same for the Olympic Games, except for the quarterfinals where the "best of 3" system is used.

Changes since the Olympic Games Tokyo 2020

Breaking is on the programme for the first time in Paris 2024. It was on the programme for the Summer Youth Olympic Games Buenos Aires 2018.

Sport Rules and Procedures

Scoring

- For all events, the competition consists of battles between two athletes. Each battle consists of a number of rounds. In each round one athlete performs first, then the other responds.
- Each round is judged by nine judges against five criteria. The judging system produces a vote for each judge for each round in favour of one of the athletes (red or blue), with a percentage figure indicating the strength of their vote in favour of red or blue across all five criteria. The possible vote scores for each round can be 9-0, 8-1, 7-2, 6-3 or 5-4 in favour of an athlete.

Tie Break Rules

Within a round:

- Ties do not occur as it is not possible for the judges to score a round as a tie.

Within a battle (round robin):

- Ties are not broken. If a battle score is 1-1 (rounds) and 9-9 (votes), then these values are used in calculating the ranking

Within a battle (pre-qualifier, knock-out):

- Ties are not possible.

Penalties / Disqualification Rules

The penalties and disqualification procedures are governed by the WDSF rules and IOC practice.

Protests / Appeals

Disputes shall be resolved in accordance with the WDSF regulations and current rules. Once the scores for a round or battle have been approved they cannot be changed.

Note:

For further information please consult: www.worlddancesport.org

Sport Terminology

Terminologie du sport

As of MON 15 JUL 2024

Term	Definition
1 vs. 1 Battle	A specific Dance Battle system (see Battle). A Battle is a dance competition in which two Breakers or crews compete against each other to determine who has the better performance skills.
Air moves	The term indicates that there is a moment in a breaker's set during which the entire body does not touch the ground anymore. Any kind of jump would suit this description.
B-Boy	From "Break-Boy", a male breaker/athlete who practices breaking. Originating from the Bronx borough of New York in the early 70's when DJ Kool Herc played "breaks" of songs which are the part of the song without lyrics, only the beat. Guys dancing to these breaks were called "Break-Boys" or shortened to "B-Boys".
B-Girl	From "Break-Girl", a female breaker/athlete who practices breaking (see B-Boy above).
Battle	A competition format, where two breakers oppose each other and dance until one is declared the winner. The battle usually takes place in rounds where one breaker will perform first, then the opposite breaker responds after the first breaker has finished the round.
Bite	A bite is a phrase or set of moves, or a combination of moves, taken from another breaker.
Blow ups	Blow ups are quick and explosive move combinations leading to a surprise moment in a breaker's set.
Breaking	Also called "B-Boying" or "B-Girling", is an urban dance style which originated during the mid-1970s in the Bronx borough of New York City. The earliest innovators of breaking were African-American and Puerto Rican youths. During the ensuing 40 years, breaking has progressed from its Bronx roots into an internationally recognised cultural art form, with elements of urban dance intertwined with extraordinary athleticism.
Crash	Non-intentional/accidental movement that leads into failure.
Criteria for judging	All battles are judged against the following criteria: Technique, Vocabulary, Originality, Execution and Musicality
Disqualification	Breakers may be disqualified for doping offences or a breach of sport ethics. Disqualified breakers will not be considered for placing in the competition.
DJ	The DJ (Disc Jockey) plays the music at the competitions.
Downrock	Breaking mainly consists of four kinds of movement: toprock, downrock, power moves and freezes. Downrock (also known as "footwork" or "floorwork") is used to describe any movement on the floor with the hands supporting the dancer as much as the feet.
Drops	Drops represent the different ways to get down into a floor move, forming the transition between top rock and downrock.
Final	The phase in which breakers compete for medals.
Footwork / Legwork	This describes the elaborate steps, leg swings, kicks and sweeps while breaking.
Freezes	A freeze is a pose in which the breaker stops moving completely in the middle or at the end of a set.
Head Judge	The Head Judge is responsible for all judge related tasks in a non-voting capacity. He must hold both valid and subsisting Judge's Licenses for the WDSF Breaking Judging System Level A and Breaking Chair/Head Judge license at the time of the event.
MC (Host)	The MC is the Master of Ceremonies. He introduces the judges, the DJ and the participants. He calls the participants onto the stage and instructs them to their assigned starting positions and he also announces the finish of a set.
Officials	The personnel, appointed by the WDSF, responsible for conducting the competition according to the technical rules in the WDSF Rule Book.
Power moves	Power moves are a complex set of movements in which the play with gravity is enhanced through centrifugal power - it is the velocity and the dynamic appearance of a power move that gave rise to this descriptive term. All power moves have a spinning motion. In a pure power move the feet of the athlete seldom touch the ground.

Sport Terminology

Terminologie du sport

As of MON 15 JUL 2024

Term	Definition
Round Robin	A phase of an individual Games event. Groups are formed and battle "all-against-all" with a final standing to determine who are the best two athletes per group who advance to the next phase.
Round Robin System	In a Round Robin, the athletes are divided into different groups in which each athlete battles every other athlete.
Spins	Each turn with a minimum of 360 degrees while on the ground is considered to be a spin.
Top rock	In top rock all moves are performed standing up.
Transitions	Transitions are parts that link one move with another. They are the links that cause the dynamic flow to a breaker's performance.
